

ST PAUL'S BARNES
SWIMMING CLUB

BARNET MEET REPORT

A total of 24 swimmers competed at this tough 200m meet - Some managing to swim three races in a very short space of time - with only half an hour lunch break!

All swimmers achieved very good results for the club and in total secured an impressive 7 medals: 2 golds, 2 silvers, 3 bronzes.

Excitingly , 40 new personal best times where achieved from 63 swims – a truly impressive feat considering these came only 2 weeks after our club championships.

Three swimmers also made county qualifying times. Congratulations to Rosa Clarke, Phoebe Finlay and Francesca Lindsay Brown. Another 6 swimmers were within or improved on their previous county qualifying time.

A very successful meet indeed. Well done to all. Keep training and improving.
