

Guildford Open report.

What a great weekend for all swimmers and for the club. This being a training meet with focus on executing what we have been practising in training for so long rather than focus on achieving PB's. Despite that there were load of PB's, Regional qualifying times, some very close to National Qualifying Time and lots of medals. In fact we medalled in every event! (except girls 100 Breast) We came 2nd best visiting club very close to strong Staines who were well represented in older age groups. Our only representatives in older age groups were Lacey Dikkers, Zoe Illis and Bertie Woodward-Fisher who all picked a medal.

From our younger swimmers Millie Dinan achieved Regional qualifying time and got bronze and silver for her breaststroke. Anoushka Maini grabbed a BAGCAT trophy for 3rd place and 5 medals. Daniel Petrov also achieved Regional Qualifying time in 200 Freestyle.

Holly Addison was 2nd and Joshua Lawson came 1st in BAGCAT trophy.

And finally we saw our parents helping on poolside to run this meet as officials.
